

How to Choose a Pentest Company in Bangalore (2026)

Choosing a penetration testing company in Bangalore comes down to four checks: team certifications (OSCP, CREST, CompTIA PenTest+ require practical hands-on skill, while CEH alone is...

- 1 Bangalore pentest pricing typically ranges INR 50,000 to 2,00,000 per scope
- 2 OSCP, CREST, and CompTIA PenTest+ are the certifications that require practical exploitation skill.
- 3 The single most important question to ask
- 4 A sample report is the cheapest quality signal.
- 5 Industry-accepted methodologies are OWASP WSTG v4.2 (web) and PTES (broader engagements).
