

Pentest Cost India 2026 | ₹74,999-15L + 7 Vendors

Penetration testing in India costs between INR 50,000 and INR 15 lakh in 2026, and the band you need is set by who has to accept the report, not by the size of your application.

- 1 Pentest pricing in India splits into three bands in 2026.
- 2 The published global floor for anything sold as a "pentest" is about USD 3,500 per test, and those tests are automated.
- 3 Cybersecify Startup Pentest (INR 74,999) and Growth Pentest (INR 1,79,999) sit in the professional band.
- 4 Pentest cost is driven by seven factors, not one number.
- 5 A pentest at INR 75,000 to 1,80,000 is roughly 0.03 to 0.07 percent of the INR 25.5 crore average breach cost in India
